

# R&S Landscaping is proud to announce the addition of its **New Asphalt Maintenance Division!**

**T**he parking lot is one of the first things people see when they visit your business. What kind of impression is yours making on them? Proper asphalt maintenance is not only imperative to avoid premature failure of your ground material, but nothing has a more dramatic visual effect on property than a freshly sealed and striped lot. The rich, black color and crisp, bright markings add tremendously to the look of the building and landscape design.

Thomas Turner is our manager of the asphalt division. A 12-year veteran in the asphalt industry, Thomas holds a degree in construction management and his knowledge and experience in the field will provide you with result-driven solutions while maintaining the outstanding workmanship, professionalism, and customer service you expect from R&S. This is just one more way R&S is proving to be the only number you need for all your exterior maintenance work.

Our new services will include:

### **Complete Asphalt Repair Services**

- Crack sealing
- Cut and patch work
- Catch basin repair
- Berm repair

### **Seal Coating Services**

- Add beauty and increase the value of your property
- Increase the service life of your asphalt

### **Parking Lot Striping and Stenciling**
